### 52 Ways to Use Your Library (one for each week of the year)

Since our newsletter has limited space I can't list all 52! But public libraries offer a multitude of services and Hillside is no exception. This intriguing list serves as a reminder of all the ways the Library can help you every day of the year. From reading to research to entertainment, local to global, look to your Library!

Here are a few ways to get started:

1. Ask for a recommended reading list for your kids.
2. Browse your favorite graphic novel.
3. Pick up a DVD.
4. Find a recipe you saw in a magazine.
5. Research the purchase of a new car.
6. Read your hometown newspaper online.

And to read the rest, my personal recommendation,

7. Visit our website or pick up a copy of the full list at the Library.

## Job Hunting? Thinking about a career change? Or just starting out in the working world?

Finding work is hard enough these days - finding the information you need shouldn't be. Two brand new resources are featured on our website.

The Career Guidance Library offers information on 2500 occupations and data for 4000 colleges, including financial aid and test preparation. Check out the special section on Cool Jobs and try the aptitude tests to help find the perfect job for you.

Also online is the NJ State Library's Virtual Career Center, a one-stop clearinghouse for employment with an emphasis on helping people in New Jersey.

For print resources, including state and county job listings, ask at the Reference Desk. And check out the books in our updated Careers Collection.

The Library also offers free employment-related workshops. Sign up for:

- Create a Winning Resume Webinar, by Tutor.com, Sept. 30, 1:00 pm
- Job Searching- Internet Tips and Techniques, Oct. 8, 11:00 am

## English as a Second Language - Volunteers Needed

Help adults help themselves- we'll teach you how in one session. We currently have 50+ ESL students waiting for a tutor match. Tutoring sessions are arranged around your schedule so call to sign up for our next training: September 23 at 6:00 pm. Contact Deborah at ext. 414.
